

Hello,

We are looking forward to having you stay with us.

Included in your guest room is discounted Self-Parking at the Chestnut Street Parking Garage for \$8 overnight with in/out privileges. It is located 1 block south of the hotel on Chestnut Street. When entering the garage, please take a ticket and park as normal. The garage connects to the Hyatt Regency Columbus via a covered skywalk and can be accessed on the 3rd floor of the garage.

When checking into the hotel, please advise the front desk agent that you have self-parked and a voucher will be provided to post charges to your guest room. If you are planning on re-entering the garage, please show the garage attendant the voucher upon exiting and take another ticket when re-entering. When you check out of the hotel, please provide the voucher to the garage attendant upon your final departure.

Thank you!

Hyatt Regency Columbus
